Father Bill is on Sabbatical...

A Sharing From Our Guest Writers:

“What is God’s future for the small church?”

This was the subject of an ecumenical meeting held in April by the Wisconsin Council of Churches. **Pat Leverick, Carol Smith and Ann Tarrolly** attended on behalf of Christ Church. The following is a brief outline of the subjects discussed. We representatives hope that you will read this and help join in efforts to invite and welcome newcomers to our beautiful place of worship.

We all must work together to discover God’s new mission for the small church in the world today.

First we should consider the following questions:

Who has God created us (our church) to be?

What is God calling us to do?

We believe the answers are to bring God’s word to all who are searching for it. God has a mission and we are charged with carrying out that mission. This can’t be done by appointing a committee or by recycling the same volunteers; it has to be the mission of the entire congregation.

Historically churches have measured their success in three categories, Butts, Budgets and Building.

It is time that we shift that model: *“We should be like a missionary outpost at the edge of a new frontier.”*

That new frontier is our community. In the past five years, our communities have changed in many ways: environmentally, economically, human relations and religious climate.

Change is needed to take advantage of the new world we live in, the new community, and to find out:

What are the major challenges facing our community?

How can we address one or more of these changes?

What skills, attitudes, resources do we have to help in this endeavor?

What type of plan can we develop?

We were asked to remember that *“Bigness is not always more blessed”*. Believe that the small church has a major role to play in the future of the community. By contributing to the growth of our community, we can encourage growth in our congregation. Approximately 35% of small churches are growing each year and we can be part of that growth.

There are five types of persons who are visiting small churches today and we should be sure to be welcoming to each type.

First, there are persons seeking surrogate families. There is much separation between families today – by mileage, by divorce or estrangements, by school or military.

Second, persons come seeking an alternative to the anonymity of the work place and public square. When it comes to spiritual growth and worship, they want a setting where they know and are known by name.

The third group consists of those weary of self-absorption and in search of a corporate story into which they can jump. People are searching for an institution that is more than the sum of its individual members, and give themselves over to it.

A fourth group are those persons who have a score to settle with God but want to settle it in a safe environment, those who have gone through difficult times, who have had setbacks in their lives and are looking to find an overriding providence. They are looking to work through their difficulties with the support and assistance of others in the Christian community.

And finally, there are those folks who are looking for a place to give back the blessings they have received.

As we develop our plan to reach out to others, we should be enthusiastic and re-energized and remember:

Don’t set the bar too low!

God sets the bar really high!

We need to set the bar high so we know that we can’t do it without God’s help!

**Pentecost,
also known as
Whitsunday,
is June 12th!**

The Christian feast of Pentecost (from the Greek word pentekoste, meaning fiftieth) is celebrated fifty days after Easter and ten days following the Ascension of Jesus Christ into heaven. Also called Whitsunday (or White Sunday) because the newly baptized wore their white baptismal robes this day. We will be having at least one baptism on this day, maybe more!

Our celebration of Pentecost commemorates the coming of the Holy Spirit into the lives of the disciples as related in the Bible, in the Book of Acts, Chapter 2, verses 1 - 6.

The coming of the Holy Spirit so strengthened the disciples that they were said to have baptized three thousand people that day. Pentecost is thus known as the "birthday of the Church", because the presence and power of God, the Holy Spirit, transformed them so.

You may see people wearing the color red, more so on this day, this symbolizes fire, as in the tongues of fire which scripture talks about when the Holy Spirit appeared to the disciples.

Doves are also a symbol of the Holy Spirit, for when Jesus was baptized it was said that the Holy Spirit descended upon Him like a dove from heaven. We again have dove figures on cardstock at Church for you to write an inspirational message or prayer on, then cut out, and return to Church by June 8th. We'll be attaching them to balloons for releasing at the end of each service.

And, because we celebrate this as the "birthday of the Church" (all Christian churches), you may see balloon decorations and lots of singing and more. We will also be having cake and good things to eat during our fellowship time at 11:15.

It is God; Father, Son & Holy Spirit, who is still here with us today, guiding us, empowering us, comforting us, loving us, and more.....allowing us to spread the Good News of Jesus Christ and share His Love with others. Invite a friend to come and worship with us!

"Come Holy Spirit, fill the hearts of Your faithful and kindle in them the fire of Your love. Send forth Your Spirit and they shall be created, and You shall renew the face of the earth".

**God in
the Garden**
**Saturday
June 18th**

Take time to smell the roses - how long has it been since you have followed this advice?

We invite you to join us for a morning in the garden. We'll be exploring the ways each of us can find inspiration, expression, contentment and peace in the garden - in God's garden.

Also hands on time (if desired) with flowers & plants (some to take home), prayer & discussion groups, meditation time, music and more, all in Pat's beautiful garden spaces.

Enjoy a morning with other women, followed by a garden lunch too. Friends are welcome!

"We give you thanks, most gracious God, for the beauty of the earth and sky and sea; for the richness of mountains, plains, and rivers; for the songs of birds and the loveliness of flowers. We praise you for these good gifts, and pray that we may safeguard them for our posterity. Grant that we may continue to grow in our grateful enjoyment of your abundant creation, to the honor and glory of your Name, now and for ever. Amen." ~ Book of Common Prayer pg. 840 ~

Walworth Co. Emergency Overnight Homeless Shelter

THE SHELTER DOES NOT OPERATE OUT OF HOST SITES IN THE SUMMER MONTHS, IT WILL RESUME AGAIN IN SEPTEMBER.

The shelter provides overnight housing in a safe environment for men who are homeless from Sept. through May. **Reach the Shelter by calling (262) 903-WARM (9276).**

We thank everyone who has volunteered this past Fall, Winter & Spring season with the Shelter.

We appreciate ALL of your time, your meals, your work and your ministering to the shelter guests. Please keep the homeless and the shelter in your prayers and look for the Fall schedule later this summer.

Christ Church thanks the Delavan United Methodist Church for allowing us to use their space during our renovations for the weeks that we hosted the Shelter over the past year. **We will need volunteers to help clean up that space at UMC since we were the last ones to host there. Also, after our Community Open House (6/26), we will need people to bring all our storage bins of sheets, blankets, towels, etc. back to Christ Church for storage until we host again in the Fall.**

Did You Know?

ASCENSION DAY THURS., JUNE 2ND

Ascension Day marks the day when Jesus Christ ascended into Heaven, 40 days after His resurrection on Easter.

The account of the Ascension is in Acts 1:9-11. "...he was taken up before their very eyes... They were looking intently up into the sky as he was going, when two men dressed in white stood beside them. "Men of Galilee, why do you stand here looking into the sky? This same Jesus, who has been taken from you into heaven, will come back in the same way you have seen him go into heaven."

Christ Church is blessed to have a stain glass window depicting the Ascension. It's one we probably look at more than any other in our Church.

WE'VE GOT MAIL

Cards, Letters,
Thanks, Emails

To the People of Christ Church,
Dear Friends, Thank you for allowing me this experience, which has been so far, wonderful. The mountains are wonderful, the quiet even more so. My 1st Sunday Service had 15 Navajo. The offertory was \$19.84, plus my own gift. I am staying in an old rectory. I have a card table, 2 folding chairs, my blow up bed, a refrigerator and stove. That's it, so, if you come to visit, bring a chair, a bed and your own towels! Peace & Joy, Fr. Bill Myrick
Editors Note: Fr. Bill send an email correspondence right after arriving, indicating there wasn't a bible in the whole church, just photocopies of some scripture passages. He asked me to order a case of hard covered bibles to send down to the Navajo church in Farmington, New Mexico, which we did from our outreach funds.

To the Prayer Shawl Ministry Group,
I thank you with all my heart.
Dorothy Brown.

Dear Christ Episcopal Church,
Your Kindness is Appreciated! Thank you for the two air conditioners you recently gave us. We'll try to put them to good use. Regards, Jim Aldinger, Trustees Co-Chairman
Delavan United Methodist Church
Note: It was decided to gift the UMC with our former parish hall ACs in thanks for all their parish did for us during our year long renovation project. They allowed us to host the Shelter at their site, and hosted the Mon. Night 14th Apostle Group at their Church during that time as well as much more!

Dear Fr. Bill & Christ Church,
Thank you so much for your amazing generous gift. With your graciousness God has worked miracles. You are in our prayers.
God Bless you, Fr. Mike (Tess) & Good Shepherd Church.

Vestry Snippets

The Vestry met on Tuesday, May 17th starting with a devotion shared by Sandralee Thiele. The minutes & treasurer's reports for April were discussed and approved. Copies can be obtained from any Vestry member, or found on the bulletin board by the Christ the King room. The building renovation reports from Treasurer, Roberta and CPA Fr. Parks were discussed, there are still change orders coming in, and additional bills whose amounts are not yet known. Fr. Bill had directed Roberta not to pay any more final bills until the Building Committee approves the finished work to insure things are as they should be.

Building chair, Ken Oliak was not present for the meeting, but other Building members gave information of what they knew, as did Roberta from things she had discussed with Scherrer Construction and other contractors. Still waiting on the pipe organ return, no date is known. Building committee members Bob Swenson and Ann Tarrowly who were present indicated they hoped the whole committee would be getting together soon for a walk through to discuss several items, until then a list is still being made of items that need attention.

The Vestry directed Roberta to get estimates from Budget Blinds in Elkhorn for blinds for the upstairs classrooms and offices as well as seeing about new blinds for the Parish Hall. The old blinds have been saved incase the estimates are too high, but they will need a really good cleaning if they will be reused.

Membership/Growth Committee report was presented by Roberta, with a list of upcoming events, and ideas for other events, one being a week long event for kids, much like a Vacation Bible School, possibly held in August. Fr. Bill & Roberta would get together after his Sabbatical to try to implement this event. (Note: see some of the upcoming events in this newsletter)

Senior Warden, Barb Lonze, presented the report on the purchase of the Kieman home at 115 N. 5th. The Vestry had put in an offer of \$185,000.00, with kitchen appliances, TV and sound system, pool table, bar refrigerator, washer and dryer included with that offer. The Kieman's countered with a price of \$189,000.00. After discussion, the Vestry voted to accept that offer and proceed with the purchase, adding that the closing would be on or before Aug. 1st. The Vestry decided a home inspection should be conducted, and would find a company to do that.

An appraisal or estimate from someone on the current rectory would be obtained after Fr. Bill returns from Sabbatical, and some cosmetic repairs done to put the rectory up for sale soon.

Barb presented recommendations from the Outreach Committee that were approved by the Vestry as follows: \$250 to The Gathering of SE WI; \$200 Bethany Christian Services; \$250 Agape House (Christian girls home in Walworth); \$100 to The Anglican Digest; \$250 in gas cards for the Dale & Tanya Dennis family.

Roberta reported that recent purchases of 4 more columbarium niches has brought the available ones left to 5. The Vestry directed Roberta to contact Armento Liturgical Arts for estimates on more niches to add next to, or below ones on side wall.

Ann Tarrowly volunteered to look into the operation booklet that Junior Warden Dale Dennis had been in the process of doing until his illness prevented him from continuing.

Roberta reported that she was waiting on correspondence for dates that Bishop Miller would be available for a visitations, most likely on a weekday evening since the last time we had asked there were no Sundays available. The Vestry approved a Community Open House Event to be held on Sunday, June 26th, from Noon - 3 p.m. Invitations, flyers, ads would be sent out to invite people in the Community, former members, contractors, donors and churches in our Diocese as well as in the community.

Joe Walters and a stain glass window appraiser had been in the building last week, and the appraiser would be back at a later date for more measurements. The broken window newly installed in the Chapel was discussed, Joe indicated that our deductible would probably be more than what it would cost to repair. No direction was taken on who would look into repairs of the window.

Roberta reported the boiler wasn't working when she tried to turn on the heat in the Christ the King room and Chapel. She called the recent contractor that had been hired thru Scherrer, but they told her to call the former contractor, since he did not work on the boiler, he just removed the old wall registers and replaced them. Expert Plumbing came over and fixed the problem, but indicated there may be a continuing problem that should have been addressed prior to our renovation project. Discussion among Vestry members continued on this problem, no solution was presented, more discussion will occur later.

The storage pods, that have been on the front lawn for over a year have been slowly unloaded. Special thanks to Pat Leverick, Ann Tarrowly & Roberta Karstetter, as well as Karstetter Construction who moved large heavy items out. Pat and Roberta will be trying to sell remaining items during Delavan Rummage Sale Days this Fri. & Sat.

More Vestry info can be obtained from any member. The next regular meeting will be June 21st at 7 p.m. and is open to all.

Sunday School Classes Resumed

In my Father's House there are many rooms...Jesus said, "I go to prepare a place for you...And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also."

The Sunday School Class took some time to look at blueprints of the rooms at Church that had been prepared for all of us the past year or more. It was fun seeing the plans and the changes in the rooms, made much better than we had ever imagined! Then the kids drew some blueprints of their own, of the kind of dwelling place, or room, that Jesus may have gone to prepare for them.

**Wanted: Church Yard
Mower Volunteers**

The sign up sheet for mowing the church yard can be found on the clipboard center in the hall by the Christ the King room. We have, for your riding convenience, a riding lawn mower, a weed eater, along with a push mower.

This ministry takes about 1 hour or so once a week. Please consider signing up for a week or two this summer. Contact Fr. Bill for how to use the equipment.

Sunday School students spent time in exploring our renovated spaces at the Church building. Lessons on proper elevator use was just one part of the class time. Searching for our supplies of crayons, markers and paper in all the boxes of supplies not yet unpacked were another part!

More Labyrinth Experiences

The Rev. Anita Braden was our supply priest on May 15th & 29th while Fr. Bill is gone on Sabbatical. Mother Anita led a short teaching and labyrinth walk after each service for those who wished to stay.

On Memorial Day, we also opened the Chapel for a Labyrinth Peace Walk.....

We didn't have many participants for the Peace Walk, but it was a nice meditation and way to honor & give thanks for those who gave their lives for our freedoms. We plan on offering it again throughout the year, as a way to experience peace in many areas of our lives, in our families, community, the global family and world.

Mother Anita will be with us again in October for a Saturday workshop called "Women of the Bible".

Mark your calendars for Sat., Oct. 22nd, 9 a.m. - 12:30 p.m. More details out soon!

Sunday School Labyrinth Walk

Ambur enjoyed first tracing the labyrinth path with markers, then walking her wooden figures on the labyrinth path, and then actually experiencing the Labyrinth Walk in our Chapel during a Sunday School lesson on May 15th. We learned that a labyrinth is NOT a maze, and it can be a fun spiritual journey!

The center of the labyrinth, if you look up, you are right under the cross!
